Given that we have closed the Training Centre and the hiring out thereof (this being our 4th sustainability project), we are now very happy to say that the pilot phase of our Seeds of Hope garden has been so successful, that there are plans to increase it 6-fold!

With sincere thanks to Bruno Hermann and Agrimotion for their tireless commitment - without whom this garden would not exist at all! From everyone at Heartlands, the children, ducks and chickens - we thank you!

**A Child feeding a Child - this is one of our latest campaigns to encourage the notion of a child giving to a child, less fortunate than themselves.**

**But this can extend to the adults too!**

**Please consider **taking a piggy to work** - and challenge your colleagues to fill it up! All you need to do is get your piggy bank from us at Heartlands and then return it with a full belly!**

**The Inaugural Festival of Children's Literature needs you!!!**

This very exciting event, planned for the 1<sup>st</sup> week of July, will be **SA's first-ever Festival of Children's Literature**, featuring some of the best authors, illustrators and publishers from around South Africa and the world.

Given that we need to plan it as a **hybrid event**, we are calling on **tech-savvy people** to assist us with the online aspect - recording the guest speakers, the Q&A's, ticketing and the like.

If you, or if you know of someone who can help, please contact **Nikki on 021-852 3527 | [nikki@heartlandsbaby.org](mailto:nikki@heartlandsbaby.org)** so that we may start preparing early. **THANK YOU!**
