Heartlands Baby Sanctuary

17th February 2022

It's the month of love! Special love, special times. Well, for us, we are able to continue giving and loving 24/7. And who made this happen? Our local community, corporates, and everyone in-between. We have been very fortunate in that we have had the support from international donors from Switzerland, motivated by Carmen Beutler - one of our amazing international volunteers, who we hope to see very soon again!

With special thanks to Hansjorg and Frau Marcella Kaeser, and the Reformierte Kirchgemeinde Bülachor for their ongoing support, which means so very much in helping us help the little ones in our care, and helping us **build bridges of hope**.

Swimming, hip hop, ice creams, and cupcakes

And who wants soft-serve ice cream with sprinkles from the
real deal ice cream truck with all the bells and whistles from our childhood?

And of course, learning how to make cupcakes.

And lastly, it is the month of love - please share your love with those who need it most.
