## Baby Sanctuary

It's every child's birthright to belong

5th September 2022

How exciting - we were approached by Virgin Active Waterstone, offering our children free swimming lessons. We were all a bit concerned that they would be frightened - quite the opposite actually! THEY LOVED IT and came back starving and tired!

Stunning bags and goggles sponsored for each child

It's my turn!

**Breaking news - we have a title sponsor - KAP Industrial** to help us towards our GOLF DAY overheads at De Zalze in Stellensbosch. Thank you!

Our holes are booking up fast, so please get your 4-ball in and book a hole - **all tax-deductible of course!** We have amazing prizes and auction items in place - so it most certainly promises to be an event of excellence.

Heartlands Baby Sanctuary in Somerset West, is a temporary short term place of safety for orphaned, abandoned, neglected, abused and moderately sick children and babies aged between 0 – 6 years. In the past 7 years, we have cared for just over 300 children. Please support us to help us to continue to help the vulnerable. Because 'it's every child's birthright to belong'. NPO 165-422 | 794 Old Paardevlei Rd, The Interchange, Somerset West, 7130

**AND MORE AWESOME NEWS** is that Ulen Afrika, our Social Worker, found placements for 3 x siblings. This is no easy task, so well done to Ulen. The little people were discharged last week with big smiles on their faces.

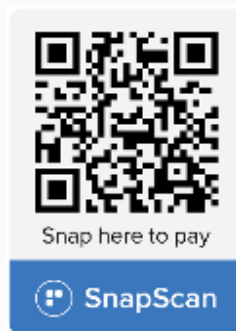

It is such a relief to have life `going back to normal'. Our new and old volunteers are lending much-needed hands! **Our next volunteer intake information session is on the 19th September at 18h00.** Please confirm your attendance at [reception@heartlandsbaby.org](mailto:reception@heartlandsbaby.org).

Spring has sprung and there is no other way in which to celebrate than with Nicole's heavenly Strawberry Spring Fling - home-made meringue, cream, ice cream, berry compote and other secrets... the best R40 you will ever spend!

**Seeds of Hope Garden:** With the extension of 3 000m<sup>2</sup>, the first of many aquaponic tunnels is up and so is the tool shed/ farm assistant's office. We await the veranda and are now looking for help for the infrastructure of the tunnel. Please email [nikki@heartlandsbaby.org](mailto:nikki@heartlandsbaby.org) for more information and she will contact the specialists for the exact requirements.
