## Baby Sanctuary

it's every child's birthright to belong

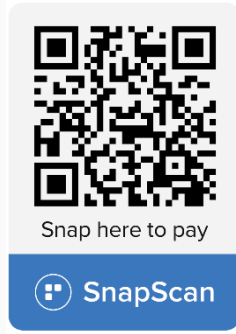

**Our gift to you - a very, very sincere thank you to you for your ongoing support and commitment in helping us help the little fractured souls in our care.**

Without your support, we could most certainly be able to continue to give the children and babies a 2nd chance at life, nor would we be in a position to grow the Sanctuary to ultimately become more self-sustainable.

May your love and support continue for many years to come and share with us the little one's journeys and the incredible success stories that happen here nearly every day.

**So, in closing, from all the little souls and staff at Heartlands, we would like to wish you a safe, loving, happy, and prosperous Christmas and New Year - especially knowing that you have enabled us to do the same for our children.**
