Baby Sanctuary

it's every child's birthright to belong

January 2024

May 2024 be **20-20-More** for all

Here is a quick look back on 2023. Firstly, we have, in the past 8 years, looked after over 381 children, all happy, healthy, and confident when being discharged from our Sanctuary, after having been admitted as very broken and fractured souls. A huge congratulations goes out to the entire team (yes, all 40 of us full-time employees) and our 37 highly committed volunteers. Thank you.

Outings, swimming lessons, computer lessons, Noddy parties and more. Multi appearances on TV plus many radio interviews, our Seeds of Hope Organic Garden starting to produce incredible harvests and a FANTASTIC, highly successful golf day at De Zalze.

Amongst many others (and a massive thank you to everyone else), here are some amazing people raising funds on our behalf incl. our **official Ambassador (for all things Heartlands) & World Record Holder, Howard Warrington** for his 160th swim from Robben Island to Blouberg, D4D challenge and the amazing Don Vino concert.

FOUNDATION

A very generous donation towards a new building to house Occupational Therapy, Play Therapy and a large Activity room for the children, in honour of their beautiful child, taken too soon, who had a huge love for babies and children.

Move To Give Vitality points programme.

Thank you for your incredible support to all those who donated their Vitality points to Heartlands earlier in 2023.

And of course, not to forget, our biggest, international volunteers supporter – Carmen Beutler – for rallying support from her Swiss Church. We are eternally grateful for all that you and your Church do for us.

Invite your clients for a very special & meaningful golf day

And for our new subscribers & friends, welcome.

Please consider supporting our 3 x key campaigns:

Adopt a Cot, Adopt a Tree and Adopt a Duck

Your monthly debit order goes a long way in helping us budget and become more self-sustainable in as short a time as possible. (Donations are tax-deductible, so please consider the kiddies instead of the tax-man).

And with your help, we can bring down the Adopt a Cot shortfall from R7 143 in 2022, to R6 650 in 2023, to even LESS in 2024.

To see where your donation is going, please ask for a tour of the amazing facilities at the Sanctuary.
